

Sorting Guide for Hand Sanitizer Packaging

EMBALLAGER
HÅNSPRIT

What is hand sanitizer packaging?

Empty containers (UN 3509) or containers with residual content (UN 1770) that have contained hand sanitizer. Due to the COVID-19 pandemic, the use of hand sanitizer has increased significantly.

Empty packaging from hand sanitizer passes through one of HCS' facilities, where it is collected and sent for treatment at an environmentally approved treatment facility.

If you would like to order a collection, request a quote, or receive more information, please feel free to contact HCS customer service via email at info@hcs.dk or at the following phone numbers. We look forward to hearing from you:

- Zealand - Phone +45 43 42 41 00
- Funen - Phone +45 66 16 90 55
- Southern and Central Jutland - Phone +45 86 40 70 88
- Northern Jutland - Phone +45 98 82 08 11

YES, PLEASE
