

## Sorting Guide for Cardboard

### What is cardboard?

Cardboard includes corrugated cardboard, carton, and other cardboard packaging, and is highly suitable for recycling.

Cardboard waste is taken to one of HCS' facilities, where the waste is sorted, shredded, and pressed into bales. Afterward, the cardboard waste is distributed for recycling.

If you wish to order a pickup, receive a quote, or get more information, feel free to contact HCS customer service via email at [info@hcs.dk](mailto:info@hcs.dk) or by using the following phone numbers. We look forward to hearing from you:
